# Making sustainability part of your lender agreement

**Outgoing Loan Agreement**

BETWEEN

**Lender Name:** \_\_\_\_\_

Name and title of representative: \_\_\_\_\_

Address: \_\_\_\_\_

Email: \_\_\_\_\_

Telephone: \_\_\_\_\_

AND

**Borrower Name:** \_\_\_\_\_

Name and title of representative: \_\_\_\_\_

Address: \_\_\_\_\_

Email: \_\_\_\_\_

Telephone: \_\_\_\_\_

The lender/borrower hereby agrees to document the condition reports using Articheck.

**Virtual Courier Example: Road Journey (one way)**

● Origin Institution
● Shipper
● Destination Institution

Please refer to the above diagram illustrating the key steps to be documented by a combination of the lender, borrower, and shipper/s involved.

THE CONDITIONS OF THIS LOAN AS STATED ABOVE ARE ACCEPTED:

Institution Name: _____  Signature: _____ Name: _____  Title: _____  Date: _____	Institution Name: _____  Signature: _____ Name: _____  Title: _____  Date: _____
---	---

**Loan Agreement for Borrowers/Lenders Requiring Condition Report Updates using Articheck**

The lender/borrower requires use of Articheck for updates to condition reports of objects provided for loans. These digital reports are highly professional, secure, more trackable than traditional methods, and will smooth any potential claims.

The lender will create the condition reports and securely share them with you via the Articheck app. You will then receive an email with links to the reports.

Articheck is a closed system, accessible only via 2-factor authentication. To access the shared reports, you will be required to set a password and enter a security code, also sent by email.

You can update the reports on any computer, smartphone or tablet at no cost to you. Updating reports is simple, just click on the report and press 'update'. You can then add images and annotations, update data, save your comments, and add your signature. You can also download a PDF for your records.

For more information on how to use Articheck, please refer to the [Articheck Basic Training Course](#).

If you have any queries or would like additional assistance, please contact [support@articheck.com](mailto:support@articheck.com) and the Articheck team will be happy to help – just let them know what project you are working on.

We appreciate your cooperation in this matter.

If you would like the opportunity to try Articheck with your own account, [sign up for a free trial here](#) (no credit card required). If you wish to subscribe after the free trial, get 50% off for 3 months with the code LOAN50DISCOUNT.
